Integra Acquires Tampa Bay Systems - Boosts Offerings and Talent

Safety Harbor, FL – May 10, 2004 – Integra Business Systems, Inc. a leading vendor of document management solutions for the financial services industry acquired software vendor Tampa Bay Systems, LLC today for an undisclosed amount.

The move gives Integra a strong position in the growing web-based document management segment and adds experienced software developers to an already successful product team.

Alan J Wiessner, President and CEO of Integra stated, “With the merger of Tampa Bay Systems and Integra Business Systems we have acquired ownership in state of the art technology. More importantly, a gifted, young group of people join Integra, who share our ideals and commitment to providing best of breed products and services to our customers.”

With the acquisition Integra now boasts over 150 installations, many of them Fortune 1000 customers in the financial services and real estate industries.

“Customers want a complete solution and someone to stand behind it.” says Adam Yahre, former Tampa Bay Systems CEO and now VP of Marketing for Integra, “With a long list of satisfied customers and solutions for document management, imaging, and identification, Integra is uniquely well positioned for continued growth in the financial services and regulatory markets we serve”
